

Sample Reception and Deliveries Scientific Services Division (SSD)

As of July 2018, to deliver samples and items to ChemCentre drivers will need to press the intercom button, located on the pillar in the island before the compound gate, to access the Samples Reception.

Sample Reception continues to be located on ground level; enter via Conlon street, press the intercom and proceed to the building compound. Staff will open the gate and meet you in the compound to receive the samples/items. To exit, press the green button by the east gate.

Exemption: Forensic Samples are to be delivered to level 2.

Monday to Friday: 8:30am – 4:30pm
