****RESULTS TO EMAIL:**

**ANALYSIS REQUIRED										SSD JOB NO:
										Please indicate if QC results are required: <input type="checkbox"/> Method QC <input type="checkbox"/> Batch QC <input type="checkbox"/> Special LOD (use comments section) *Method QC data refers to results from a lab blank and a lab verification standard. *Batch QC data refers to results obtained from duplicate and spiked samples supplied by client and incurs extra charges.

[illegible]

SAFETY - When submitting samples to ChemCentre, you must give written notice of all known safety or health hazards and any special procedures relevant to the handling, testing, storage, transport and disposal of samples. If samples contain hazardous material, please provide a current safety data sheet (SDS) and pack to prevent leaks, spills and/or breakage.
